

World Disaster Reduction Day Promotional Packet Evaluation

The committee that assembled this packet wants your feedback! Please take a few moments to complete these questions and return the form. Use the back for more space. Thank you!

1. What items(s) in this kit were most helpful to you? Why?

2. Which items were not helpful? Why?

3. The theme of Water: Too Much, Too Little: The Leading Cause of Disasters was determined by the U.N. International Decade for Natural Disaster Reduction group. What did you think about the theme? Were your activities aligned to it? Should we use themes in the future?

4. What activities in support of World Disaster Reduction Day did you conduct?

5. What changes would you suggest if a packet is compiled next year?

6. Other comments:
